

Marin County IPM Program Application for Limited Use Exemption

Person Requesting: Jim Chayka Date: April 21, 2017

Department: Marin Parks -Landscape Division Phone: 415-473-3639

Proposed Material: Termidor SC EPA Reg. Number: 7969-210

Active Ingredient: fipronil 9.1%

Amount of material needed: 19 oz./25 gallon water trench along foundation walls, pillars, and other foundation elements

Location of Proposed Use: Mc Near's Beach Park, Snack bar areas

Reason why Restricted: Product is on Marin IPM Structural Use Exemption List because fipronil is listed by US EPA as a probable carcinogen

Reason for Need: This product has proven effective against subterranean termites; the other termite product is a contact termiticide and ineffective against underground termites and lacks residual effects.

Options/Alternatives: Chitin-inhibiting bait stations may be used as alternative; however, bait stations are not listed on Allowable Pesticide List and similar exemption is required.

Plan to Preclude Future Use: Continue to monitor for termite activities at appropriate time of the year.

Time Period Needed: 5/8/17 – 5/12/17

Request Approved,

Request Not Approved
